- To ensure that donning and doffing of breathing apparatus is carried out to manufacturer's instructions
- Monitor systematic search of a tunnel system to locate any casualties
- Emergency arrangements are followed including recovery of casualty and casualty care
- Use and application of equipment and procedures for High Risk and emergency arrangements and reporting systems.

Pre-requisite - Delegates must hold a valid 6160-08 qualification to attend this course

Additional Information & Course Requirements

Requirements for Training:

Personal Protective Equipment (PPE) - ESS locations require all visitors to wear a minimum the following PPE: Hi-Vis (vest or similar) and Protective Safety Footwear.
For purposes of practical training, it is also a requirement to have Safety Helmet, Gloves, Overalls or similar as well as the Hi-Vis and Safety Footwear, Kneepads are also advisable.

Proof of Identity – Delegate names are to be provided by customer in advance of the course start date. Delegates must provide proof of identity (Driving license, Passport, National Identity Card) which states their full name.

Respiratory Protective Equipment (RPE) - Different types of RPE are used during training dependent on the Confined Space Risk Level. Most RPE requires the user to be clean shaven to ensure safe and optimum use. Medium Risk courses use Escape Sets or Self-Contained Breathing Apparatus, optional Hooded Escape Sets maybe available where notified in advance. For High-Risk courses being clean shaven is mandatory.

Physical Health & Fitness - Delegates must be physically fit to undertake practical training. Consideration should be given to the side effects of medication and temporary conditions such as colds, flu and COVID. If there are any doubts in regard to the fitness of a student reference should be made to a GP.
Delegates must not exceed 136kg in weight as this is the SWL of standard Confined Space & Working at Height equipment used.

Learning difficulties and language barriers – A reasonable understanding of the English language is required as all courses will be conducted in English. Arrangements can be made, where notified and registered in advance of the training, for Verbal Assessment for delegates with confirmed disabilities and learning difficulties. Reasonable adjustments may be made on the day subject to available resources.

Start times - Delegates must arrive at least 15 minutes prior to the course start time and late arrivals may be refused for training. Delegates due to arrive after this time must contact the ESS Training Team on 0800 000 346.

Cancellation & Postponement - Notice of all cancellations or transfers must be in writing and the following terms apply:

- Cancellation 30 days or more prior to the course start date: No fees
- Cancellation 29-14 days prior to course start date: 10% Service Charge
- Cancellation 14-8 days prior to course start date: 50% of total course fee
- Cancellation 7 days or less: 100% of total course fee

Non-attendance or delegates that arrive more than 30 minutes after the scheduled course start time and are refused onto a course will be charged 100% of the course fee. Delegate substitutions can be made free of charge at any time before the course start date.
